

Step-by-Step Instructions

Beneficial Owner Information Report (BOIR) PDF Filing Method

Before You Begin

1. Install Adobe Reader

If you do not already have Adobe Reader, download it (get.adobe.com/reader/) and install it on your device.

2. Have the required identifying information (or FinCEN ID) available for beneficial owners and company applicants (if applicable).

Collect the required information from beneficial owners and company applicants (if applicable): each individual's name, date of birth, address, a unique identifying number from an acceptable identification document, and the name of the issuing jurisdiction of that identification document. (If an individual has a FinCEN ID, that may be collected instead.)

3. Obtain an electronic image of the acceptable identification document required for each company applicant and beneficial owner unless a FinCEN ID is provided. An acceptable identification document is a non-expired: State-issued driver's license, State/local/Tribe-issued ID, U.S. passport, or foreign passport.

NOTE: A foreign passport is only acceptable if the individual does not have one of the other identifying documents.

The image must be a complete, clear, and readable image of the page or side of the identifying document containing the unique identifying number, and other identifying data. The supported formats are JPG/JPEG, PNG, and PDF. The maximum file size for each image is 4 MB.
