I. Who, What, When of Beneficial Ownership Information Reporting Requirements

The Corporate Transparency Act requires certain types of U.S. and foreign entities to report beneficial ownership information to the Financial Crimes Enforcement Network (FinCEN), a bureau of the U.S. Department of the Treasury. Beneficial ownership information is information about the entity, its beneficial owners, and in certain cases its company applicants. Beneficial ownership information is reported to FinCEN through Beneficial Ownership Information Reports (BOIRs).

FinCEN’s website includes guidance about the beneficial ownership information reporting requirements on its [beneficial ownership information webpage](#). FinCEN’s [Small Entity Compliance Guide](#) explains who must report, what they must report, and when they must report. The Guide includes interactive flowcharts, checklists, and other aids to help determine whether an entity needs to file a BOIR with FinCEN, and if so, how to comply with the reporting requirements. More information on where to look in the [Small Entity Compliance Guide](#) is provided below.

WHO

An entity is required to report beneficial ownership information if it is a “reporting company” and does not qualify for an exemption. Chapter 1 of FinCEN’s [Small Entity Compliance Guide](#) may assist in determining whether an entity qualifies for an exemption.

WHAT

Beneficial ownership information is information about an entity, its beneficial owners, and, in certain cases, its company applicants. The person submitting beneficial ownership information to FinCEN must certify that the information is true, correct, and complete. The specific information required is described in these instructions and in Chapter 4 of FinCEN’s [Small Entity Compliance Guide](#). To learn more about how to identify beneficial owners, review Chapter 2 of FinCEN’s [Small Entity Compliance Guide](#). To learn more about the reporting requirements for and how to identify company applicants, review Chapter 3 of FinCEN’s [Small Entity Compliance Guide](#).

WHEN

FinCEN will begin accepting BOIRs electronically through its secure filing system January 1, 2024. FinCEN will not accept BOIRs prior to January 1, 2024.

If a reporting company already exists as of January 1, 2024, it must file its initial BOIR by January 1, 2025. If a reporting company is created or registered to do business in the United States on or after January 1, 2024 and before January 1, 2025, it must file its initial BOIR within 90 days after receiving actual or public notice that its creation or registration is effective. If a reporting company is created or registered to do business in the United States after January 1, 2025, then it must file its initial BOIR within 30 days after receiving actual or public notice that its creation or registration is effective.

If there is any change to the required information about a reporting company or its beneficial owners in a BOIR that a reporting company filed, the reporting company must file an updated BOIR no later than 30 days after the date on which the change occurred.

If the reporting company identifies an inaccuracy in a BOIR that the reporting company filed, the reporting company must correct it no later than 30 days after the date the reporting company became aware of the inaccuracy or had reason to know of it.

More information about reporting timelines may be found in Chapter 5 and Chapter 6 of FinCEN's [Small Entity Compliance Guide](#).

The rest of these filing instructions explain **where** and **how** to report beneficial ownership information to FinCEN by filing a BOIR

II. Where to Report Beneficial Ownership Information

Reporting companies may complete BOIRs electronically by accessing the BOI E-Filing portal at <https://boiefiling.fincen.gov> (accessible beginning on January 1, 2024).

The E-Filing portal permits a reporting company to choose one of the following filing methods to submit a BOIR:

- Upload finalized PDF version of BOIR and submit online.
- Fill out Web-based version of BOIR and submit online.

A reporting company may submit its BOIR through either of these methods, both of which require the filing to be done online as BOIRs cannot be mailed or faxed to FinCEN. In each case, the person who submits a BOIR will need to provide their name and email address to FinCEN. The person who submits a BOIR will receive confirmation of submission when a BOIR is accepted by FinCEN.

The E-Filing submission guides for both PDF and web-based versions of the BOIR may assist in submitting completed BOIRs to FinCEN. To access these guides, go to <https://boiefiling.fincen.gov> and select Help.

FinCEN also offers system-to-system BOIR transmission via secure Application Programming Interface (API) for those, including third-party service providers, who are interested in automating the BOIR filing process.

III. How to Report Beneficial Ownership Information

Report beneficial ownership information to FinCEN by filing a true, correct, and complete BOIR. This section includes specific recommendations and instructions to assist in reporting beneficial ownership information to FinCEN by filing a BOIR.

a. Recommendations for Successful Filings

1. Complete Filings

BOIRs must be complete before they can be filed with FinCEN. FinCEN will not accept a BOIR if any items marked with a red asterisk (*) are blank.

NOTE: Filers must provide information in EVERY field marked with the * symbol in ALL CIRCUMSTANCES. Filers must also provide information in all fields not marked with the * symbol that are applicable to the filer. For example, the “Middle Name” field is not marked with a * symbol; the filer MUST provide information in that field IF the relevant individual’s legal name includes a middle name. Notwithstanding any other instruction, reporting companies must provide all information required pursuant to 31 CFR 1010.380(b).

Completing an initial BOIR: Complete an initial BOIR by providing all the following information:

- For the reporting company:
 - » Full legal name;
 - » Any trade name or “doing business as” name;
 - » Complete current U.S. address;
 - » Jurisdiction of formation (including State¹ or Tribal jurisdiction for a domestic reporting company);
 - » For a foreign reporting company only, State or Tribal jurisdiction of first registration; and
 - » IRS Taxpayer Identification Number (TIN), including an Employer Identification Number (EIN) (or, if a foreign reporting company has not been issued a TIN, the reporting company’s foreign tax identification number and the name of the issuing jurisdiction).

¹ State means any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, the United States Virgin Islands, and any other commonwealth, territory, or possession of the United States.

- For each beneficial owner and each company applicant required to be reported:
 - » Full legal name;
 - » Date of birth;
 - » Complete current address;
 - » Unique identifying number and issuing jurisdiction from one of the following non-expired documents: (1) U.S. passport; (2) identification document issued by a State, local government, or Indian Tribe issued for the purpose of identifying the individual; (3) State-issued driver’s license; or (4) if none of (1)–(3) are available, a foreign passport; and
 - » An image of the document from which the unique identifying number was obtained.

Reporting companies may provide a FinCEN identifier for a beneficial owner or company applicant instead of the information listed above.

Completing a corrected or an updated BOIR: If a previously submitted BOIR needs to be corrected or updated, complete a corrected or updated BOIR in its entirety, with the necessary corrections or updates made to the information. Reporting companies must resubmit unchanged information along with the corrected or updated information.

Completing a newly exempt entity BOIR: If a BOIR was previously submitted for an entity that has become exempt, complete a newly exempt entity BOIR by reporting that the type of filing is “newly exempt entity”, as well as the company name and TIN that the company provided in the last BOIR it filed. No additional information is required.

2. Names of Individuals

Enter the individual’s full last name, first name, and middle name as it is shown on a valid government identification document.

Multiple Last Names: If an individual’s name consists of a first name and multiple last names (e.g., a father’s last name and another’s last name), the multiple last name elements would be entered in the last name field and the first name entered in the first name field. For example, if an individual’s name is Juan (first name) Vega (first last name) Santiago (second last name), “VEGA SANTIAGO” would be entered in the last name field and “JUAN” would be entered in the first name field.

If an individual’s name typically is written with the family name first, that family name should be entered in the last name field.

No Middle Name: If an individual’s full legal name does not include a middle name, the middle name field should be left blank. If an individual’s full legal name does include a middle name, the full middle name should be provided. Entry of a middle initial only is not permitted.

Multiple First Names: If an individual has two first names and no middle name, both first names should be entered in the first name field (e.g., an individual who has “Mary Elizabeth” as a first name, but no middle name, should enter “Mary Elizabeth” in the first name field). The middle name field should be left blank.

Name Suffix: A name suffix may be abbreviated: Junior can be JR, Senior can be SR, the Third can be III, etc.

Punctuation, abbreviations, and special characters should be used in names only when they are part of the individual’s legal name.

3. Addresses

Addresses provided on BOIRs must be in certain data formats to be accepted.

ZIP Codes: ZIP Codes must be five or nine digits. ZIP Codes and foreign postal codes must be entered without formatting or special characters such as spaces or hyphens. For example, the ZIP Code 12345-6120 should be entered as 123456120. The foreign postal code HKW 702 should be entered HKW702.

U.S. Territories: When an address is in a U.S. Territory, the Territory code must be selected in the “U.S. or U.S. Territory” field. The BOIR will then automatically fill the State field with the relevant Territory code.

Non-U.S. Addresses: When an address is not in the United States, enter the street address, city, country/jurisdiction, and foreign postal code. If a foreign address contains information that does not exactly match the BOIR address fields, provide the foreign address information in the existing BOIR address fields regardless of whether the field fully matches the address information. All foreign address information should be reflected somewhere in the BOIR address fields provided.

No abbreviations are permitted in city names, which must be completely spelled out. A U.S. city name must match the city name used by the U.S. Postal Service for the associated State and ZIP Code.

4. Unique Identifying Numbers

Enter all unique identifying numbers as a single text string without formatting or special characters such as hyphens or periods. An identifying number in the format NNN-NN-NNNN should be entered as NNNNNNNNN.

5. Identifying Document Image Attachment

Reporting companies must attach identifying document images to BOIRs. As discussed above, several types of identifying documents may be used, including a non-expired U.S. passport or State-issued driver's license. Images of these identifying documents must be provided for all company applicants identified in Part II (item 33) and all beneficial owners identified in Part III (item 51) of the BOIR. A complete, clear, and readable image of the page or side of the identifying document containing the unique identifying number of the company applicant or beneficial owner, and other identifying data must be provided. An attachment to a BOIR cannot be larger than four (4) megabytes of data. Multiple attachments may be added to a BOIR, but only one image attachment is permitted per company applicant or beneficial owner reported in a BOIR.

6. Prohibited Words and Phrases

Do not use the following words or variations of these words in text fields of the BOIR:

- a. AKA
- b. DBA
- c. NMN
- d. NONE
- e. NOT APPLICABLE
- f. OTHER
- g. SAME
- h. SAME AS ABOVE
- i. SEE ABOVE
- j. T/A
- k. UNKNOWN
- l. VARIOUS
- m. XX

b. Item Instructions

The item instructions show a line item, or field, of the BOIR followed by line-by-line instructions on how to fill out each item.

NOTE: Filers must provide information in EVERY field marked with the * symbol in ALL CIRCUMSTANCES. Filers must also provide information in all fields not marked with the * symbol that are applicable to the filer. For example, the “Middle Name” field is not marked with a * symbol; the filer MUST provide information in that field IF the relevant individual’s legal name includes a middle name. Notwithstanding any other instruction, reporting companies must provide all information required pursuant to 31 CFR 1010.380(b).
